Pilar Veru - Resource Teacher Coordinator World Languages

Newark Public Schools

May 19th, 2010

Workshop Objective

- You will accompany the presenters on a journey to explore internet resources that will assist you in your planning, teaching & engaging the students in active learning.

ESL Websites

- <http://www.everythingsl.net/>
- Website of Judie Haynes, incoming president of NJTESOL-NJBE
- Has a multitude of resources including articles & links

Sample: makebeliefscomix.com

Encourage your English language learners to write. Visit makebeliefscomix.com and have your students create their own comic strips. It's a wonderful resource to spur students of all ages to read, write, and communicate their ideas and to practice English.
